KINDERGARTEN 5

Kindergarten with Ace and Christi – K3-K5 (36 week program)

This kindergarten program features a complete scope and sequence of concepts and skills needed to prepare K3-K5 children to be ready to read. Sixty PACES filled with animal pictures, activities, and full-color picture stories encourage a child to want to read. He will also learn social skills, the wonder of God's world, and the reality of God's love. Another feature for you, the parent or instructor, is the easy-to-use format for guiding children from pretesting through a kindergarten graduation program.

1st GRADE

This multisensory, phonetic learning-to-read program is designed to prepare a child for the individualized instruction of the PACE curriculum. Within a period of 12 to 15 weeks of tutoring, your child will learn to read by becoming acquainted with cartoon animals, songs, and stories, word relationships. Physical and character development skills are built through poems, displays, and various physical activities. Following this 12-15 week tutorial program, the child is ready to begin the journey of the self-paced individualized program.

Accelerated Christian Education (ACE) curriculum has Scripture as its foundation, fully integrating biblical principles, wisdom, and character-building concepts into education. Students move at their own speed through the self-instructional "PACE" workbooks. Following the mastery approach, PACES are formatted for students to complete the exercises found throughout the workbook, take a practice "self-test," and conclude with a "final test" (torn out from the center) to measure understanding.

This full-year, 1st Grade kit includes:

- Daily Instructional Manuals Vol. 1 & 2
- Flash Cards
- Display Cards
